# MODULAR - FIREPROOF CONTAINERS

## Elegant self-extinguishing waste containers suitable for selective collection.

This unique Probbax® modular concept is composed of 2 shapes of containers available in 4 finishes to fit in any high-end business environment. These TÜV certified fireproof units (paper contents only) are made of sturdy stainless steel or lacquered galvanised steel and offer hands-free waste disposal. Install just one container or combine shapes to create a bespoke waste separation station (see next page for examples of combinations). The adjustable feet allow for perfect alignment of the units on uneven floors.
